THE PEACEFUL PARENT

Peaceful parenting does not mean passive parenting. You can better direct AND connect with your child in a calm and loving way, even when establishing necessary boundaries. The way to more peaceful, effective parenting of children of any age begins by focusing on your reactions and improving your self-control. Learn how to retain or regain your peace and poise when dealing with your child's behavior, so that you do not lose your power. By letting go and not trying to control every situation, and developing the habit of observing your own reactions, you will begin to experience and radiate more calmness that your child will reflect through more calm, cooperative self-conduct. This foundational program also teaches you the essential ways that you influence child behavior.

THE CHILD DISCIPLINE PROCESS

Learn the essentials of loving child discipline every parent of every aged child

needs to know for removing anger and stress from your encounters with challenging behavior. Choosing the most effective response is simple when you learn about your 3 basic options for solving virtually any behavior problem.

TRUE PARENT AUTHORITY

Get ready to learn how most parents undermine their own authority. This recording reveals the surprising truth about how to establish the loving, positive authority in your relationship with your children that translates into an end to power-struggles and improved behavior and attitudes coming from your children. Improve your self-confidence and your self-control as you lead your child to do the same. Discover how to work *with* your child instead of against him or her for more cooperation, respect and fulfillment in parenting.

END PARENT FRUSTRATION

Learn how you cause yourself all of the frustration you experience with your children, how your frustration actually blocks you from creating the results you really want with your children, and how to transform your frustration into positive, peaceful power that produces more satisfying results.

NATURAL PARENTING

Your child has a natural pattern within him/her, like a seed has a pattern that leads to its fruition. This program helps you identify your child's true self and work with it, instead of against, to bring out your child's best. When a child is forced to live in conflict with his/her natural pattern, it leads to worsening health, attitudes and behavior problems.

INSPIRED PARENTING / AUTHENTIC PARENTING

Learn how to access your own inner wisdom to bring out your child's best. Approach parenting as an inspiring creative process instead of an overwhelming burden. Connect with who your child truly is in a way that solves and avoids typical behavior problems.

I AM WORTHY OF LOVE:

RAISING CHILDREN WITH HEALTHY SELF-ESTEEM

Learn the keys to overcoming self-esteem problems that may be holding your child (or you) back. You cannot raise a child with healthy self-esteem without having it yourself. This program focuses on how to uncover and address your own self-esteem issues that must impact your relationship with your child. Learn the three simple steps for developing the attitude that insures you make the best possible choices for yourself and for those you love.

HOW TO WIN WITH YOUR "STRONG-WILLED CHILD" / AKA: DELIGHTFULLY DEALING WITH "DIFFICULT" CHILDREN

Learn why it is futile to "butt heads" with a fiesty child. Instead, you can channel that strong will into positive persistence for higher achievement and improved self-control. Also learn how parents provoke a child's stubbornness, and what to do instead.

END POWER STRUGGLES

Learn how to withdraw your energy from conflict to more easily and effectively guide situations in line with your objectives. You can apply here to overcome power struggles, not just with children, but with adults, with life, and even with yourself. A "Must Hear" for anyone who feels drained and strained by any sort of conflict,

struggle or rivalry.

SIBLING SOLUTIONS

If you have more than one child you need to know these proven strategies for ending or avoiding irritating as well as harmful sibling rivalry. Learn how to promote a harmonious relationship between your children.

Explained here are the common parenting mistakes that lead siblings to fight and hurt one another physically and emotionally, and a loving, sane approach that keeps the peace.

RAISE YOURSELF & OVERCOME YOUR PARENTS' LIMITING PATTERNS

This crucial CD addresses perhaps the most crucial challenge to parents. At last, a program showing you how to recognize and overcome any negative or limiting parenting or personality patterns you learned from your own parents so you can avoid passing them on to your child. You will gain useful insight into yourself and how to improve your relationships, including your relationship with your child and your mate. Most of promise ourselves that we will not repeat the mistakes our parents made. Unfortunately, most do not know how to avoid this or what to do instead. This program solves that problem.

FATHER / MOTHER POWER FOR ALL

Learn a key difference between fathering and mothering, the special gifts each has to offer children. Excellent for two-parent households as well as for single parents who feel the need to fulfill both roles. Also learn how apply father-mother power for directing your life and living in a healthy state of balance.

HOW TO WIN WITH YOUR TEEN

Learn the seven simple steps to keeping your teen on track as you maintain a

harmonious relationship with him or her. Studies indicate that by the time a child reaches the age of 12 years old, parents can directly control or influence only about 20% of their behavior. This important and practical audio program teaches you how to make the most of your influence and provide your teen with the love, respect and structure he or she still needs to make responsible choices.

TRUE TEEN POWER (For teens and their parents) This motivating and enlightening recording is designed especially for teens, the parents of teens and for adults who may have a rebellious teen pattern undermining their happy success in life. Includes the wisdom of how to make your dreams come true, find and fulfill your true life's purpose and respect yourself for who you truly are. Revealed here is a clear understanding of the pointlessness of rebellion, how to build self-respect and direct your own destiny.
