**To attend a seminar, to set up a seminar, or to schedule a private session call 404-297-4043 or email [bob@boblancer.com](mailto:bob@boblancer.com)**

**Learn how to successfully guide child behavior with calm confidence and loving self-control.**

**End draining power-struggles**

**Enjoy more peace, love, harmony and order in your home!**

Know exactly what to do about typical behavior problems including:

- Ignoring Directions
- Not Accepting "No" For An Answer
- Bossiness
- Over-Aggressiveness
- Sibling Rivalry
- School Behavior Problems
- Dishonesty
- Tantrums
- Defiance

Turn frustrating bedtime, mealtime, morning exits into smooth routines.

Support your child's healthy self-confidence, self-esteem, and self-motivation.

Prepare your child for life-success.

Raise your child to know that he/she is worthy of love and respect.

Improve Family Communication Skills for greater cooperation & mutual respect

### **PLUS THESE SPECIAL PROGRAMS**

**Single Parent Survival Skills:** Lead a balanced life and provide your child with splendid parenting.

**Family Power:** How to create and maintain the harmonious and loving family stability that supports each family member's healthy, happy soaring success.

#### **From Chains To Change**

(For parents in economic or social crisis):

Understand how unconscious parenting and teaching practices carry problems with addiction, crime, poverty and abuse into the next generation, and how to change those practices to turn the chains of the past into bright change for the future.
